

UPPER CAPE COD REGIONAL TECHNICAL SCHOOL
Division of Nurse Education

PRACTICAL NURSE PROGRAM

APPLICATION FOR ADMISSION

2025-2026

Roger Forget, Superintendent
Judith M. Pelletier, MSN, RN, CNE, Director, Practical Nurse Program

Upper Cape Cod Regional Technical School
220 Sandwich Road
Bourne, Massachusetts 02532
(508) 759-7711 X277

FINAL 22October2024

PROGRAM DESCRIPTION

The Practical Nurse Program of studies includes classroom theory, simulation laboratory practice, and clinical instruction. In addition to the clinical nursing courses students complete academic requirements in Anatomy and Physiology, Nutrition, Pharmacology, and Vocational Trends in Nursing. Clinical experiences are provided at nursing homes, hospitals and other health care facilities both on and off Cape Cod. Both grades and attendance are critical to satisfactorily completing the program objectives.

Upon completion of the Practical Nurse Program, graduates are eligible to take the state licensure exam (NCLEX-PN). Employment opportunities exist on and off-Cape in a variety of settings including but not limited to: nursing homes, physician's offices, out-patient health centers, some hospitals, and hospice, among others. Students who choose to continue their education may enter Associate Degree Nursing Programs (LPN to ADN) or Baccalaureate Degree Nursing Programs (LPN to BSN).

APPROVAL AND ACCREDITATION

The Practical Nurse Program is fully approved by the:

Massachusetts Board of Registration in Nursing
250 Washington Street
Boston, MA 02108
Telephone: 617-973-0900
<https://www.mass.gov/orgs/board-of-registration-in-nursing>

Upper Cape Cod Regional Technical School Division of Nurse Education is accredited by the:

Commission on Occupational Education (COE)
840 Roswell Road
Building 300, Suite 325
Atlanta, GA 30350
Telephone: 800-917-2081
www.council.org

Reaffirmation of Accreditation is scheduled for May 2025.

The Upper Cape Cod Regional Technical School Practical Nurse Program has been granted **Pre-Accreditation Status** effective for three years, October 10, 2024 to October 31, 2027. The Program will pursue NLN CNEA Accreditation within this period of time.

National League for Nursing Commission on Nursing Education Accreditation
2600 Virginia Avenue, NW, 8th Floor
Washington, DC 20037
Telephone 202-909-2487
<https://cnea.nln.org/>

All documents describing MA Board of Registration in Nursing approval, COE accreditation, or NLN CNEA pre-accreditation status are available for review by contacting the PN Program Director in writing. The Director will facilitate the review process in a convenient and mutually agreed upon manner.

Upper Cape Cod Regional Technical School is accredited by:

New England Association of Schools and Colleges
Technical and Career Institutions (CTCI)
3 Burlington Woods Drive
Suite 100
Burlington, MA 01803

MISSION OF UPPER CAPE COD REGIONAL TECHNICAL SCHOOL

The mission of Upper Cape Cod Regional Technical School is to foster a lifelong commitment to learning, community, personal responsibility and career growth within a diverse student population of 21st century learners through the integration of academic and technical proficiency, while preparing the student to be effective members of a global society.

MISSION OF THE PRACTICAL NURSE PROGRAM

The mission of the Practical Nurse Program is to prepare each graduate for safe, entry level nursing practice, caring holistically for individuals from diverse backgrounds, demonstrating technical competence, while functioning as an integral member of the health care team with a commitment to educational advancement and life-long learning.

PHILOSOPHY OF THE PRACTICAL NURSE PROGRAM

Upper Cape Cod Regional Technical School and the nursing faculty are committed to the development of safe, caring, self-reliant, responsible, life-long learners capable of successfully competing in a rapidly changing technological world. The administration and nursing faculty seek to educate the post high school student by preparing nursing graduates who can problem solve, think critically, lead healthy lives, behave ethically, and assume the responsibilities inherent in the role of the beginning Licensed Practical Nurse.

Practical nurse education prepares entry-level graduates to work collaboratively with other health care providers to ensure continuity of care in a variety of health care settings. Practical nurse education prepares graduates who are capable of practicing nursing in a rapidly changing health care environment. The faculty believes that treating human beings as individuals with dignity and self-worth is a key factor in the education of students, and therefore, the care of patients (clients). Environment encompasses all elements external to and interacting with the individual to influence her/his state of health and highest level of functioning.

Health is perceived as a state of optimal physiological, emotional, intellectual, social and spiritual well-being. Health is dynamic and unique to each individual. Nursing is the treatment of human responses of clients, and it is through the nursing process that the nurse is able to assist the client to achieve optimal wellness. Nursing is an applied discipline that integrates the biopsychosocial sciences into the care of clients.

The faculty believes that the practical nurse is a vital part of the health care team and she/he understands that the organizing framework for the practice of nursing is the nursing process. In using the nursing process, the practical nurse utilizes the concepts of assessment, planning, implementation and evaluation. The practical nurse participates in safe application of the nursing process in a variety of health care settings.

The faculty believes that learning takes place from simple to complex throughout the life span in an atmosphere of caring, involvement, participation, teamwork, and support. The faculty facilitates student learning and believes that this approach enables each individual student to safely practice in a legal and ethically responsible manner.

DIVERSITY, EQUITY, INCLUSION, and BELONGING

The Practical Nurse Program at Upper Cape Cod Regional Technical School (Program) welcomes all individuals to apply to the Program who aspire to become a Licensed Practical Nurse. The diversity of the nursing workforce serves to improve the quality of care provided to those in need.

The Program is committed to ensuring that its learning environments are free of harassment and intolerance and supports and respects each individuals' inherent dignity, worth, and unique attributes that only serve to enhance the learning experience for all. The facilitators and staff strive to cultivate an environment where all students can bring their best selves to learn together.

END OF PROGRAM STUDENT LEARNING OUTCOMES

Upon completion of the Practical Nurse Program, the graduate:

1. Applies the *nursing process* to provide *client centered care* across the *continuum*.
2. Provides *safe* and effective nursing care integrating current *evidenced-based practice*.
3. Collaborates with the *interprofessional team* incorporating appropriate technology and informatics, maintaining *integrity of information*.
4. Demonstrates clinical competence in the *role of practical nurse* in accordance with ethical, legal, and professional standards.

DEFINITIONS

Client is the individual, family, or group, which includes significant others and populations. [2017 NCLEX-PN Detailed Test Plan]

Client centered care recognizes the client or designee as the source of control and full partner in providing compassionate and coordinated care based on respect for client preferences, values, and needs. [Adapted from QSEN, 2007]

Clinical competence is the knowledge, and the use of affective, cognitive, and psychomotor skills, required for the delivery of safe nursing care in accordance with accepted standards of nursing practice. [MA BORN 244 CMR 10.00, proposed new regulation]

Continuum of care covers the delivery of healthcare over a period of time with care provided from birth to end of life, for all levels and stages of care varying for each client depending on their unique needs. [Adapted from Healthcare Information Management Systems Society, 2014]

Evidenced-based practice integrates the best current evidence with clinical expertise in the provision of care. [Adapted from QSEN, 2016]

Integrity of information insures information transmission between clients and providers is secure and protected, following all legal, ethical, and organizational policies to protect and maintain confidentiality. [Adapted from Technology Information Guiding Educational Reform, 2009]

Interprofessional Team is composed of two or more disciplines that collaborate to achieve quality client care. [Adapted from NLN CNEA, 2016]

Nursing Process is a scientific approach to client care that includes assessment, identification of client problem(s), planning, implementation, and evaluation of care provided.

Role of the practical nurse means the performance for compensation of authorized acts of nursing which utilize specialized knowledge and skills and which meet the health needs of people in a variety of settings under the direction of qualified health professionals. [NALPN, 2015]

Safe care is the provision of healthcare services in a manner that minimizes the risk of harm to clients and providers. [Adapted from NLN, 2010]

At the completion of the program, graduates are eligible to write the National Council of State Boards of Nursing Licensure Examination for Practical Nurses (NCLEX-PN®). Graduates who meet the objectives of the Upper Cape Cod Regional Technical School's Practical Nurse Program and achieve a passing score on NCLEX-PN are prepared to practice as entry level Licensed Practical Nurses.

STUDENT FINANCIAL AID

Financial awards are made when personal and family resources are not sufficient to pay educational expenses. The difference between the total cost of education (tuition, books, fees, transportation and living expenses) and the total family or personal contribution is expressed as financial need. The Office for Civil Rights (OCR) enforces five federal civil rights laws that prohibit discrimination on the basis of race, color, national origin, sex, disability and age in programs or activities that receive federal financial assistance from the Department of Education (ED). Discrimination on the bases of race, color and national origin is prohibited by Title VI of the *Civil Rights Act of 1964*; sex discrimination is prohibited by Title IX of the Education Amendments of 1972; discrimination on the basis of disability is prohibited by *Section 504 of the Rehabilitation Act of 1973* and Title II of the *Americans with Disabilities Act of 1990* (Title II prohibits discrimination on the basis of disability by public entities, whether or not they receive federal financial assistance); and age discrimination is prohibited by the *Age Discrimination Act of 1975*.

Financial Aid is available to those who qualify. UCT has been approved by the United States Department of Education for the following programs for financial assistance. The programs listed below are available to eligible students to help meet the cost of their education. The term "Title IV" refers to the Federal Financial Aid programs authorized under the Higher Education Act of 1965 awarded on the basis of financial need and includes the following programs:

- Federal Pell Grant
- Subsidized Direct Loan

The Title IV programs that are not awarded on the basis of financial need are part of the Federal Family Education Loan program which includes:

- Unsubsidized Direct Loan
- Parent Loan for Undergraduate Students (Direct PLUS Program)

UCT does not currently participate in *MASSGrant* or *MASSAid* programs.

If interested in determining your eligibility for Federal Financial Aid, students may fill out a FAFSA (Free Application for Federal Student Aid) at www.fafsa.ed.gov. The PREFERRED deadline to complete the FAFSA is **June 1, 2025.**

Students may be eligible to apply for financial assistance through other government or employer sponsored programs.

Confidentiality

All information provided to the Business Office is regarded as confidential and cannot be released without the written consent of the student applicant.

Detailed information about Financial Aid is available in the UCT Financial Aid Handbook.

PRACTICAL NURSE PROGRAM ADMISSION POLICY

All documents that relate to admission or transfer become the property of Upper Cape Cod Regional Technical School and will not be returned. Applicants are strongly advised to keep a copy of their application and copies of all materials submitted in support of the application.

ELIGIBILITY

1. In accordance with the regulatory requirements of the Massachusetts Board of Registration in Nursing, candidate for admission must provide satisfactory evidence of secondary school graduation, or its equivalent, (ref: 244 CMR 6.04(3)(a)1).
 - a. Applicants must provide an Official Transcript from a regionally accredited high school **OR** a state-issued High School Equivalency Certificate (GED) with test results.

- b. Applicants whose high school transcript is in a language other than English or from a country outside of the United States must submit a certified translation. The translated document must specify that the student completed the equivalent of secondary school with a grade evaluation of each subject the student completed.

A list agencies can be found at: <https://www.doe.mass.edu/licensure/academic-prek12/teacher/foreign-degree-and-credit-equivalency.html> or <https://www.naces.org/members>. The evaluation and/or translation of foreign education documents requires a fee that is the responsibility of the applicant. Documents from agencies that are not listed will not be accepted.

- 2. In accordance with the regulatory requirements of the Massachusetts Board of Registration in Nursing, candidates for admission must provide satisfactory evidence of compliance with the immunization requirements specified by the Massachusetts Department of Public Health (ref: 244 CMR 6.04(3)(a)1).
- 3. Candidates from in-district and out-of-district towns may apply to the program. In-district communities are Bourne, Falmouth, Marion, Sandwich, and Wareham. Residence of in-district towns must complete a *Certificate of Residency* (included with this application) to receive the in-district tuition rate. Out-of-district applicants should disregard the Certificate.

APPLICATION PROCESS

- 1. Complete the *Practical Nurse Program Application for Admission* with payment of the NON-REFUNDABLE Application fee of \$50.00. Cash or Money Orders; NO Personal Checks.

IMPORTANT! Communication with applicants regarding the application and admission process requires that both the Application for Admission and the \$50.00 fee has been received.

- 2. Provide satisfactory evidence of secondary school graduation (see: ELIGIBILITY – above)
- 3. Complete the Entrance Examination, the National League for Nursing® (NLN) Nursing Entrance Exam (NEX)/ The NEX is intended for students seeking admission to a pre-licensure nursing program. The NEX measures basic essential skills in the academic content areas of Verbal skills (Word Knowledge & Reading Comprehension), Mathematics (Numbers & Operations, Measurements/Conversions, Algebra, Data & Information), and Science.

CONTENT AREA	# of Items/Testing time	REQUIRED SCORE
Verbal	58 items/60 minutes	50%
Math	45 items/60 minutes	50%
Science	60 items/60 minutes	A minimum score is not required

Applicants may take the NEX entrance exam three (3) times during an admission cycle (July 1, 2024 to June 30, 2025). **There must be a minimum of 30 days between test dates.** NLN NEX exams completed at testing sites other than Upper Cape Cod Regional Technical School MUST have been an in-person proctored exam; exams completed remotely or virtually proctored will not be accepted for the purpose of applying to this Program.

- 4. Upon receipt of the Application, evidence of secondary school graduation, and achieving the required scores on the NLN NEX exam the applicant must complete the following:
 - a. Submit three (3) Confidential References (the forms are provided with this application);
 - b. Acknowledge receipt of the Massachusetts Board of Registration in Nursing Licensure Policy 00-01, Determination of Good Moral Character Compliance; and
 - c. Complete the UCT Criminal Offender Record Information (CORI) request form.
 - d. Submit documentation of required immunizations or titers; please see page 11 for details.
 - e. Submit a Health Clearance from your Primary Care Provider.
 - f. Interview with the Program Director or designee*; at the time of interview the applicant is required to provide written responses to several questions; the responses are evaluated for completeness, coherency,

spelling, and grammar. *The purpose of the interview is to review the application file and discuss the expectations of the Program. The interview is NOT used for determining admission to the Program.*

ADMISSION REQUIREMENTS

Applications are reviewed and evaluated using the following criteria:

- Completed Program application (inclusive of the written responses completed at time of interview and the 3 references)
- Satisfactory evidence of secondary school graduation, or its equivalent
- Required Verbal and Math scores for the NLN NEX.
- Health Clearance/MA DPH Immunization Requirement*
- Criminal Offender Record Information (CORI) review

***HEALTH CLEARANCE**

In accordance with Massachusetts Board of Registration in Nursing regulations, candidates for admission to a nursing education program must provide satisfactory evidence of compliance with the immunization requirements specified by the Massachusetts Department of Public Health current at the time of application.

A Health Clearance Form with the required immunizations and titers is provided with this application. These requirements must be completed prior to the scheduled start of the academic year. Failure to provide all required documentation will exclude the PN applicant from admission to the Program.

The Program understands that some students experience difficulty obtaining immunization documents or titers demonstrating immunity for many different reasons. The applicant must self-advocate when seeking to obtain relevant records. Students who fail to provide complete immunization records or titers prior to the start of classes will be granted "Conditional Acceptance". Full acceptance will not occur until such time as the immunization requirements are met. In the event that this does not occur prior to the start of clinical, the students will not be accepted and will be dismissed from the Program. Placement in the clinical learning environment indicates the student has met the immunization requirements as the condition of their admission and is fully accepted to the Program.

ADDITIONAL REQUIREMENTS

1. Evidence of health insurance coverage effective for the duration of enrollment.
2. American Heart Association Basic Life Support (BLS) certification.
3. Payment of tuition 2 weeks prior to the scheduled start of classes.

ACCEPTANCE TO THE PROGRAM

Upon receipt of the conditional acceptance letter, the student is required to make a \$1,000 non-refundable Seat Fee* (Money Order ONLY). The Seat Fee is applied to the cost of tuition. Specific dates for payment of the Seat Fee and Tuition will be detailed in the conditional acceptance letter in accordance with the current academic calendar.

REFUND POLICY*

- If a student withdraws from the Practical Nurse Program on or before the first day of class, student will receive a full tuition refund minus a \$100.00 administration fee.
- If a student withdraws at any time between the second class day and the end of the second week of classes, she/he will receive a 50% tuition refund minus a \$100.00 records processing fee.
- No refund will be issued after 4:00PM on the Friday at the end of the second week of classes.
- In the event the Division of Nurse Education cancels any class, the student's tuition, fees, and other charges will be fully refunded.

*Specific dates will be provided to students upon acceptance to the program in accordance with the academic calendar effective for the year of admission.

WITHDRAWAL OF ADMISSION TO THE PROGRAM

The Massachusetts Board of Registration in Nursing (MABORN) protects the health, safety and welfare of the citizens of the Commonwealth by licensing qualified Licensed Practical Nurses who possess the knowledge, skills and abilities needed to provide safe, competent nursing care. The Board publishes and regularly updates the *Good Moral Character Licensure Requirement Information Sheet* [found at: <https://www.mass.gov/service-details/good-moral-character-requirements-for-nursing-licensure>]. Each applicant for initial nurse licensure by examination must comply with the "Good Moral Character" (GMC) requirement specified at G.L. c. 112, secs. 74, 74A, 76, and 80B. Each initial applicant has the burden to demonstrate compliance with the *Licensure Policy 00-01: Determination of Good Moral Character Compliance*.

UCT reserves the right to withdraw the awarding of Program admission to any individual should the Program or the administration of UCT become aware of any individual's non-compliance with the MABORN's GMC requirements for licensure.

COURSE EXEMPTION

A student may request an exemption to non-clinical nursing courses. A request for a course exemption must be accompanied by documents to support the request. For example, the course exemption may be requested by the student that has a college degree in a field relevant to the course content.

ADVANCED PLACEMENT

Individuals may apply to enter the program at Semester II/Term II (Medical, Surgical, & Psychiatric Nursing) provided they can supply satisfactory proof of completion of all the Semester I/Term I course content with a grade of "B-" or better within the past two years if the student is not currently matriculated in a nursing education program. For currently matriculated transfer students, course content can be older than two years. An original transcript of grades and detailed course descriptions are required. The Term I courses are: Anatomy and Physiology, Fundamentals of Nursing*, Vocational Trends in Nursing, Introduction to Pharmacology, and Nutrition. Entrance into the program will be determined on a space available basis. Applicants eligible for Advanced Placement are not required to complete the admission entrance exam. Individuals cannot transfer into the program at any time after Semester II/Term I.

[*In the event it is necessary to consider multiple clinical courses to determine eligibility based on content, skills sim, and clinical hours, Fundamentals of Nursing must have been completed with a "B-" or better and the additional course (for example, Medical Surgical nursing) must have been completed with a "C+" or better to meet the necessary hours requirement.]

Cumulative averages do not transfer with students. The grade for approved transfer course/clock hours will be noted on the UCT transcripts as Transfer Credit. A new cumulative grade begins with the commencement of a student's career at UCT and reflects only work completed as a UCT student.

Students entering the Program in transfer from another nursing education program, as an Advanced Placement student into PN 106 Medical, Surgical, and Psychiatric Nursing, will be required to do the following prior to enrolling:

1. Achieve a grade of 90% or better on the required Medication Administration Examination. **Students can retake the Medication Administration Exam once and only once.** Failure to achieve a 90% or better will render the student ineligible for advanced placement;
2. Demonstrate retention of competency in clinical nursing skills completed in Fundamentals of Nursing with the nursing program they are seeking to transfer from. Students will receive information on how to prepare for this competency testing and should plan on three to four hours for the testing session. Failure to demonstrate sim competency will render the student ineligible for advanced placement; and
3. Complete a *PN 101 Fundamentals of Nursing* final exam that had been administered to students enrolled in the UCT PN Program. The results of this exam will be used for self-evaluation purposes only to facilitate success in the Program for the students seeking advanced placement.

Students granted Advanced Placement are not eligible for readmission to the Program. In the event a student is not successful following Advance Placement, and would like to return to the Program, the student will be required to complete the admission process in accordance with the policies in effect at the time of application.

ADVANCED PLACEMENT or TRANSFER OF MILITARY EDUCATION, TRAINING OR SERVICE FOR A MILITARY HEALTH CARE OCCUPATION

Applicants who have military health care education, training, or service are eligible for advanced placement or transfer of previously completed course credit in accordance with published policies.

Due to the variety of opportunities for military health care occupation education, training, or service can vary, each applicant will be considered on a case-by-case basis in accordance with the [NCSBN Analysis: A Comparison of Selected Military Health Care Occupation Curricula with a Standard Licensed Practical/Vocational Nurse Curriculum](#). Materials that will be required to determine advance placement or transfer include, but not be limited to: Transcripts; Course descriptions; Skills checklists; and/or Evaluations.

TRANSFER CREDIT FOR NON-CLINICAL NURSING COURSES

A student who has completed Anatomy and Physiology I and Anatomy and Physiology II, Nutrition, and/or Introduction to Pharmacology, from another regionally accredited post-secondary institution – one recognized by the US Department of Education - within the past **two years**, inclusive of Honors Anatomy and Physiology and /or Honors Nutrition completed at UCT, and has obtained a grade of "C" (75% or greater) or better are eligible for transfer credit. For currently matriculated transfer students, course content can be older than two years. To obtain transfer credit the student must provide the program director with:

1. an official transcript documenting completion of the equivalent course within the past two years with a grade of "C" (75%) or better;
2. a description of the course (catalog, syllabus or similar documentation) which demonstrates the course(s) for which the student is seeking transfer credit is equivalent to the course offered at UCT in content and hours;
3. additional materials that the program director could request to facilitate the transfer of credit.

Students will be notified by the program director when transfer credit is awarded. If the student is eligible for Title IV Financial Aid, the exemption credit could potentially affect the amount of the student's award.

CLINICAL AGENCY REQUIREMENTS

Clinical agencies require specific immunizations and/or titers and/or tuberculosis screening in addition to the requirements of the MA DPH. Students who are documented non-responders will be required to sign a document acknowledging they are aware they are at risk for contracting the pathogen. Students who have tested positive for Tuberculosis in the past will be required to complete a Tuberculosis Screening Questionnaire on an annual basis.

Other clinical agency requirements include, but are not be limited to: providing personal identification information, including a Social Security Number (SSN) for secure access to the facility's electronic health records; completion of a confidentiality agreement; participation in a facility orientation; purchasing a facility specific identification badge; and/or submitting to agency specific background checks.

Employers in health care settings demand that employees are not only competent practitioners but can be depended upon to be on time and present at work daily. Regular attendance should be thought of as a critical work habit and it is extremely important to your success in the Practical Nurse Program at Upper Cape Cod Regional Technical School. The Program Secretary and facilitators carefully monitor student attendance.

CPR CERTIFICATION REQUIREMENT

Students are required to obtain and maintain **American Heart Association – Basic Life Support (BLS)** Cardio Pulmonary Resuscitation (CPR) Certification and maintain certification throughout the duration of the Program. Students must present a valid document prior to the start of the clinical experience.

HEALTH INSURANCE

All students are required to carry personal health insurance while they are enrolled in the Practical Nurse Program.

CRIMINAL OFFENSE RECORD INFORMATION (CORI)

What is CORI? C.O.R.I. is Criminal Offender Record Information, which consists of records and data in any communicable form compiled by a Massachusetts criminal justice agency.

In compliance with school and clinical agency requirements, Upper Cape Cod Regional Technical School and/or the clinical agency in which the student is assigned to provide patient care, will conduct a CORI (Criminal Offender Record Information) check. Students will be required to submit to a CORI. Upper Cape Tech and/or the clinical agency will send the student's signed completed CORI request form to the Criminal History Systems Board to be checked.

The outcome of the CORI could impact the student's ability to participate in the clinical experience based on clinical agency requirements. Since graduation requires completion of concurrent clinical and academic hours, the student would not be able to successfully graduate from the program. The Program offers no guarantee of a clinical placement in the event of an adverse CORI finding and the decision of the agency to provide a clinical placement for the student.

All applicants for nurse licensure in the Commonwealth of Massachusetts will be subject to this record check.

Massachusetts Department of Children and Families Background Record Check

The 2006 Adam Walsh Act allows private and public organizations to request a search of the Massachusetts Department of Children and Families (Department) Central registry to determine if an individual has any substantiated report of child abuse and/or neglect within the Commonwealth of Massachusetts.

All applicants for nurse licensure in the Commonwealth of Massachusetts will be subject to this record check.

SCREENING FOR SUBSTANCES OF ABUSE

Screening for substances of abuse are randomly conducted without advance notice to all enrolled students a minimum of one time during their enrollment.

The student who comes to school or to a clinical facility in the possession of or under the influence of alcohol/drugs presents a threat to the safety and welfare of all and will be treated as an impaired person. Any student who has been prescribed a narcotic or other medication which they have reason to believe could impair their ability to function should inform the Director prior to participating in program activities. The Program respects the privacy of its students and will work cooperatively with any student who is taking such medication and his/her healthcare provider to ensure such medications will not interfere with the student's ability to perform safely, without risk to the student or others.

ACCOMMODATIONS DUE TO A DISABILITY

The student with a disability must be able to meet the essential eligibility requirements for licensure as a Licensed Practical Nurse in Massachusetts. These requirements, as specified in Massachusetts General Law Chapter 112, ss. 74 and 74A, include graduation from a Board-approved nursing education program, achievement of a pass grade on the National Council Licensure Examination (NCLEX®), and demonstration of compliance with the good moral character licensure requirement.

Reasonable examination modifications will be provided to eligible students. Any accommodations provided must maintain the psychometric nature and security of any examination. Exam modifications, which fundamentally alter the nature or security of examinations, are not permitted.

A student has no obligation to inform the director, facilitator, and/or facilitators that he or she has a disability; however, if the student wants an academic accommodation or if a student wants other disability-related services, the student must identify himself or herself as having a disability. The disclosure of a disability is always voluntary. For example, a student who has a disability that does not require services can choose not to disclose his or her disability. However, should a student choose not to disclose a disability, having not received accommodations cannot later be used as a basis for a grade appeal or grievance.

Students with disabilities may voluntarily self-identify for the purpose of requesting reasonable accommodations during the application and admissions process. Please contact the Program Director with any questions or for assistance with making such requests. A guideline for submitting a request for accommodations is available upon request from the Program Director.

For additional information, please see, *Students with Disabilities Preparing for Postsecondary Education: Know Your Rights and Responsibilities*, U.S. Department of Education, 2001, at:

<http://www2.ed.gov/about/offices/list/ocr/transition.html>.

2024/2025 Program Costs by Semester/Term*
Tuition will INCREASE for the 2025/2026 Academic Year

	Fall Semester (August > December)	Spring Semester/Term I (January > April)	Spring Semester Term II (April > June)
Tuition	\$4299.80 (In District) \$4835.00 (Out of District)	\$6250.20 (In District) \$6965.00 (Out of District)	\$0.00
EXPENSES PAID BY THE STUDENT prior to receiving Financial Aid if eligible			
Fees	\$90.00	\$0.00	\$0.00
Textbooks	\$750.00	\$300.00	\$0.00
Uniforms	\$150.00	\$0.00	\$0.00
Supplies/Equipment	\$250.00	\$0.00	\$0.00
Clinical Technology*	\$100.00	\$0.00	\$0.00
Digital Resources*	\$400.00	\$500.00	\$0.00
NCLEX Prep	\$0.00	\$0.00	\$350.00
Licensure Application	\$0.00	\$0.00	\$230.00
Exam Registration	\$0.00	\$0.00	\$200.00
Costs the student should expect to pay out of pocket	\$1740.00 Student Expenses [this does not include cost of required titers and immunizations]	\$800.00 Student Expenses [this does not include cost of required titers and immunizations]	\$780.00 Student Expenses [this does not include cost of required titers and immunizations]
TOTAL COSTS	\$6039.80 (IN District) \$6575.00 (OUT of District)	\$7050.20 (IN District) \$7546.50 (OUT of District)	\$780.00

Fees include, but are not limited to: parking, identification badge, graduation costs, etc.

Supplies/Equipment are necessary for Nursing Care Simulation to practice nursing care and in the clinical setting to care for clients.

Clinical Technology is [TracPrac](#) that is utilized for documenting clinical experiences and evaluation of student learning.

Digital Resources are products to provide interactive client care via a digital platform [[Shadow Health](#)]

****The UCT PN Program reserves the right to require different products as deemed necessary and appropriate. The above is accurate as of October 2024.***

Equal Educational Opportunity

Upper Cape Cod Regional Technical School and the Division of Nurse Education's Practical Nurse Program admits students and makes available to them school advantages, privileges, and courses of study without regard to race, color, religion, gender, gender identity or expression, sexual orientation, national origin, genetics, disability, age, uniform military or veteran status, and/or economic or homeless status.

Upper Cape Cod Regional Technical School (UCT) has a published admission policy, inclusive of eligibility, process, procedures, and requirements. This application form must be completed and submitted to UCT. In addition to this Application, other criteria for admission include satisfactory evidence of secondary school graduation, or its equivalent, completed TEAS exam, compliance with Health/Immunization requirements, CORI, and an interview with the Program Director or designee.

ACKNOWLEDGEMENT: My signature below indicates that I understand that:

- *I am responsible for providing any and all additional documents required to support of this Application. I understand my \$50.00 application fee is non-transferrable and non-refundable.*
- *I have read and fully understand the Program requirements and polices that accompany the application.*
- *Failure to meet the Health and Immunization requirements will exclude me from consideration for admission to the Program.*
- *I may be required to obtain selected vaccinations as required by the clinical agencies affiliated with the Program. This will include, but not be limited to, the COVID and influenza vaccines.*
- *Should I be accepted, I am responsible for purchasing my textbooks and student uniform in a timely manner to insure receipt by the start of classes, August 27, 2025 and that there are additional educational resources I will be required to purchase during my enrollment at my own expense, [e.g. Shadow Health, TracPrac, Davis Advantage].*

I certify the information I have provided is complete and accurate.

TITER and IMMUNIZATION REQUIREMENTS

This page is to be signed by the APPLICANT and submitted with the application for admission.

In accordance with the regulatory requirements of the Massachusetts Board of Registration in Nursing, the candidate for admission (*the applicant*) must provide satisfactory evidence of compliance with the immunization requirements specified by the Massachusetts Department of Public Health (ref: 244 CMR 6.04(3)) for Health Care Personnel [Reviewed March 2022] and found at: <https://www.mass.gov/doc/adult-occupational-immunizations-massachusetts-recommendations-and-requirements/download> and Massachusetts DPH Immunization of Students Before Admission to School (ref: 105 CMR 220.000).

Certain clinical agencies have immunization requirements that exceed those of the MA Department of Public Health and as a result the Program cannot make any exceptions. Failure to provide all required documentation may exclude the PN student from clinical practice and participation in the Program.

- **Hepatitis B [Required for admission]**
A **TITER** documenting that the applicant has sufficient antibody protection against Hepatitis B.
- **Measles, Mumps, Rubella, and Varicella [Required for admission]**
Dates of complete series of immunizations [Two MMR vaccines AND Two Varicella vaccines] OR Titers (on lab letterhead and obtained from the lab performing the test, NOT documentation from a medical record) that documents that the student has sufficient antibody protection against measles, mumps, rubella, and varicella.
- **Tdap/TD [Required for admission]**
Documentation of ADULT pertussis-containing vaccine within 10 years of time of application to the Program. If the 10 year duration of the vaccine will lapse at any time during Program enrollment, the applicant is required to receive the immunization prior to admission to the program.
- **Meningoccal (MenACWY) [Required for admission]**
ONLY those applicants that are 21 years of age or younger and given on or after the applicant's 16th birthday.
- **Tuberculosis Screening [Required to attend clinical]**
A tuberculosis test is required within 2 months of the start of the Program. In accordance with the policy of the MA DPH Tuberculosis Program, a history of BCG immunization does not exempt the student from TB screening requirement. A negative chest X-Ray and clinical evaluation is required for those with a history of positive PPD.
- **Influenza Vaccination [Required to attend clinical]**
The flu vaccine is due annually on or before October 6, 2025 for the 2025/2026 season. Clinical agencies may require a 2nd flu vaccine during the winter in the event the flu season is severe or exceptionally lengthy. [Protection lasts approximately 6 to 8 months.]
- **COVID Vaccination and booster(s) [Required to attend clinical]**
Specific details will be provided in accordance with current state, regulatory, and clinical agency requirements.

Acceptance to the Program is contingent upon submission of complete and verifiable documentation demonstrating compliance with the immunization requirements.

Applicant's acknowledgement of the UCT PN Program Health and Immunization Requirements

I have read and fully understand the mandatory Program requirements outlined above. I understand the failure to meet these requirements exclude me from consideration for admission to the Program.
