PROGRAM DESCRIPTION

The Practical Nurse Program of studies includes classroom theory, simulation laboratory practice, and clinical instruction. In addition to the clinical nursing courses students complete academic requirements in Anatomy and Physiology, Nutrition, Pharmacology, and Vocational Trends in Nursing. Clinical experiences are provided at nursing homes, hospitals and other health care facilities both on and off Cape Cod. Both grades and attendance are critical to satisfactorily completing the program objectives.

Applicants are required to have a High School Diploma or Graduate Equivalency Diploma (GED). Additional requirements include, passing scores on all sections of the Assessment Technologies Incorporated Test of Essential Academic Skills (ATI TEAS) and a completed application, which includes professional references (as above).

Upon completion of the Practical Nurse Program, graduates are eligible to take the state licensure exam (NCLEX-PN). Employment opportunities exist on and off-Cape in a variety of settings including but not limited to: nursing homes, physician's offices, out-patient health centers, some hospitals, and hospice, among others. Students who choose to continue their education may enter Associate Degree Nursing Programs (LPN to ADN) through transfer agreements with Cape Cod Community College, Bristol Community College or Quincy College toward an Associate in Science Degree in Nursing.

MISSION OF THE PRACTICAL NURSE PROGRAM

The mission of the Practical Nurse Program at Upper Cape Cod Regional Technical School is to prepare each graduate for success on NCLEX-PN so she/he can safely practice nursing with technical competence, care holistically for individuals from diverse backgrounds, and function as an integral member of the health care team with a commitment to educational advancement and life-long learning.

PHILOSOPHY OF THE PRACTICAL NURSE PROGRAM

Upper Cape Cod Regional Technical School and the nursing faculty are committed to the development of safe, caring, self-reliant, responsible, life-long learners capable of successfully competing in a rapidly changing technological world. The administration and nursing faculty seek to educate the post high school student by preparing nursing graduates who

can problem solve, think critically, lead healthy lives, behave ethically, and assume the responsibilities inherent in the role of the beginning Licensed Practical Nurse.

Practical nurse education prepares entry-level graduates to work collaboratively with other health care providers to ensure continuity of care in a variety of health care settings. Practical nurse education prepares graduates who are capable of practicing nursing in a rapidly changing health care environment. The faculty believes that treating human beings as individuals with dignity and self worth is a key factor in the education of students, and therefore, the care of patients (clients). Environment encompasses all elements external to and interacting with the individual to influence her/his state of health and highest level of functioning.

Health is perceived as a state of optimal physiological, emotional, intellectual, social and spiritual well-being. Health is dynamic and unique to each individual. Nursing is the treatment of human responses of clients, and it is through the nursing process that the nurse is able to assist the client to achieve optimal wellness. Nursing is an applied discipline that integrates the biopsychosocial sciences into the care of clients.

The faculty believes that the practical nurse is a vital part of the health care team and she/he understands that the organizing framework for the practice of nursing is the nursing process. In using the nursing process, the practical nurse utilizes the concepts of assessment, planning, implementation and evaluation. The practical nurse participates in safe application of the nursing process in a variety of health care settings.

The faculty believes that learning takes place from simple to complex throughout the life span in an atmosphere of caring, involvement, participation, teamwork, and support. The faculty facilitates student learning and believes that this approach enables each individual student to safely practice in a legally and ethically responsible manner.

END OF PROGRAM STUDENT LEARNING OUTCOMES

Upon completion of the Practical Nurse Program, the graduate:

1. Applies the *nursing process* to provide *client centered care* across the *continuum*.
2. Provides *safe* and effective nursing care integrating current *evidenced-based practice*.
3. Collaborates with the *interprofessional team* incorporating appropriate technology and informatics, maintaining *integrity of information*.
4. Demonstrates clinical competence in the *role of practical nurse* in accordance with ethical, legal, and professional standards.

DEFINITIONS

Client is the individual, family, or group, which includes significant others and populations. [2017 NCLEX-PN Detailed Test Plan]

Client centered care recognizes the client or designee as the source of control and full partner in providing compassionate and coordinated care based on respect for client preferences, values, and needs. [Adapted from QSEN, 2007]

Clinical competence is the knowledge, and the use of affective, cognitive, and psychomotor skills, required for the delivery of safe nursing care in accordance with accepted standards of nursing practice. [MA BORN 244 CMR 10.00, proposed new regulation]

Continuum of care covers the delivery of healthcare over a period of time with care provided from birth to end of life, for all levels and stages of care varying for each client depending on their unique needs. [Adapted from Healthcare Information Management Systems Society, 2014]

Evidenced-based practice integrates the best current evidence with clinical expertise in the provision of care. [Adapted from QSEN, 2016]

Integrity of information insures information transmission between clients and providers is secure and protected, following all legal, ethical, and organizational polies to protect and maintain confidentiality. [Adapted from Technology Information Guiding Educational Reform, 2009]

Interprofessional Team is composed of two or more disciplines that collaborate to achieve quality client care. [Adapted from NLN CNEA, 2016]

Nursing Process is a scientific approach to client care that includes assessment, identification of client problem(s), planning, implementation, and evaluation of care provided.

Role of the practical nurse means the performance for compensation of authorized acts of nursing which utilize specialized knowledge and skills and which meet the health needs of people in a variety of settings under the direction of qualified health professionals. [NALPN, 2015]

Safe care is the provision of healthcare services in a manner that minimizes the risk of harm to clients and providers. [Adapted from NLN, 2010]

At the completion of the program, graduates are eligible to write the National Council of State Boards of Nursing Licensure Examination for Practical Nurses (NCLEX-PN®). Graduates who meet the objectives of the Upper Cape Cod Regional Technical School's Practical Nurse Program and achieve a passing score on NCLEX-PN are prepared to practice as entry level Licensed Practical Nurses.

STUDENT FINANCIAL AID

Financial awards are made when personal and family resources are not sufficient to pay educational expenses. The difference between the total cost of education (tuition, books, fees, transportation and living expenses) and the total family or personal contribution is expressed as financial need. The Office for Civil Rights (OCR) enforces five federal civil rights laws that prohibit discrimination on the basis of race, color, national origin, sex, disability and age in programs or activities that receive federal financial assistance from the Department of Education (ED). Discrimination on the bases of race, color and national origin is prohibited by Title VI of the *Civil Rights Act of 1964*; sex discrimination is prohibited by Title IX of the Education Amendments of 1972; discrimination on the basis of disability is prohibited by *Section 504 of the Rehabilitation Act of 1973* and Title II of the *Americans with Disabilities Act of 1990* (Title II prohibits discrimination on the basis of disability by public entities, whether or not they receive federal financial assistance); and age discrimination is prohibited by the *Age Discrimination Act of 1975*.

Financial Aid is available to those who qualify. UCT has been approved by the United States Department of Education for the following programs for financial assistance. The programs listed below are available to eligible students to help meet the cost of their education. The term "Title IV" refers to the Federal Financial Aid programs authorized under the Higher Education Act of 1965 awarded on the basis of financial need and includes the following programs:

- Federal Pell Grant
- Subsidized Direct Loan

The Title IV programs that are not awarded on the basis of financial need are part of the Federal Family Education Loan program which includes:

- Unsubsidized Direct Loan
- Parent Loan for Undergraduate Students (Direct PLUS Program)

UCT does not currently participate in *MASSGrant* or *MASSAid* programs.

Students must first fill out a FAFSA (Free Application for Federal Student Aid) at www.fafsa.ed.gov or call toll free at 800-433-3243.

Students may be eligible to apply for financial assistance through other government or employer sponsored programs.

Financial Aid Eligibility Criteria

1. United States citizenship or eligible non-citizen (see application for Federal Student Aid or MFAF for definition).
2. Have a valid Social Security Number (SSN). [For exceptions see: <https://studentaid.ed.gov/eligibility/basic-criteria>]
3. Enrollment in Upper Cape Cod Regional Technical School's Post Secondary programs.
4. You are not in default on a federal or state student loan program (i.e. Stafford, Perkins, PLUS, etc.) and you do not owe a refund on any other federal or state aided program.
5. You are in good academic standing and making satisfactory progress in accordance with the policies set forth in the student handbook.
6. You must be registered with the Selective Service if you are a male student.

NOTE: Students will not receive financial aid consideration until they have completed the enrollment process.

Financial Aid Application Procedures

Listed below are some of the documents students need to determine if they are eligible for financial aid. For more information on how to file or information regarding eligibility please go to www.fafsa.ed.gov or call toll free at 800-433-3243.

NOTE: It is the student's responsibility to make sure that all forms are accurate and complete.

1. Free Application for Federal Student Aid (Pell Grant)
2. Signed copy of parent's federal income tax return (required of all students under age 24).
3. Signed copy of student's (and spouse's, if married) federal income tax return.
4. Financial aid transcripts from all previously attended colleges/universities.
5. Official statements from the source of all non-taxable income received (i.e. AFDC, Social Security, Veteran's benefits, Workmen's Compensation, Child Support, etc.)
6. Verification forms.

Once a student has filed for Aid, Student Aid Reports (SARS) are sent electronically to the Business Office.

Award Notification

Students will generally be notified of financial assistance awards in June. Disbursements are made twice per year - a minimum of 30 days after the start of Term I and a minimum of 30 days after the start of Term II.

Confidentiality

All information provided to the Business Office is regarded as confidential and cannot be released without the written consent of the student applicant.

PRACTICAL NURSING PROGRAM ADMISSION POLICY

All documents that relate to admission or transfer become the property of Upper Cape Cod Regional Technical School and will not be returned. Applicants are strongly advised to keep a copy of their application and copies of all materials submitted in support of the application.

ELIGIBILITY

1. In accordance with the regulatory requirements of the Massachusetts Board of Registration in Nursing, candidate for admission must provide satisfactory evidence of secondary school graduation, or its equivalent, (ref: 244 CMR 6.04(3)(a)1).
 - a. Applicants must provide Official Transcript from a regionally accredited high school **OR** a state-issued High School Equivalency Certificate (GED) with test results.
 - b. Applicants whose high school transcript is in a language other than English must submit a certified translation (see list of certified services below). The translated document must specify that the student completed the equivalent of secondary school with a grade evaluation of each subject the student completed.

Commonly used certified services for evaluation and translation are: North American Educational Group (NAEG) www.naeg.org, Center for Educational Documentation (CED) www.cedevaluations.com, World Education Services (WES) www.wes.org. All of these agencies evaluate and/or translate foreign education documents and require a fee. All fees are the responsibility of the applicant.
2. In accordance with the regulatory requirements of the Massachusetts Board of Registration in Nursing, candidate for admission must provide satisfactory evidence of compliance with the immunization requirements specified by the Massachusetts Department of Public Health (ref: 244 CMR 6.04(3)(a)1).
3. Candidates from in-district and out-of-district towns may apply to the program. In-district communities are Bourne, Falmouth, Marion, Sandwich, and Wareham. Residents of these communities are given preference for admission.

APPLICATION PROCESS

1. Complete the *Practical Nursing Program Application for Admission* with payment of the NON-REFUNDABLE fee of \$110.00 [Application fee = \$25.00; Entrance Exam fee = \$85.00]. This fee includes the applicant's registration for the Entrance Examination (Assessment Technologies Incorporated – ATI - Test of Essential Academic Skills – TEAS®). The TEAS measures basic essential skills in the academic content areas of Reading, Mathematics, and English and Language Usage.

CONTENT AREA	ADJUSTED INDIVIDUAL SCORE
TEAS VI Reading	61%
TEAS VI Math	50%
TEAS VI English	53%

2. Achieve a passing score on all sections of TEAS Entrance Exam. Applicants are allowed to retake the Entrance Exam twice (\$85.00 fee for each retest). Applicants are permitted to take the TEAS on three occasions during an admission cycle.
3. Upon receipt of passing scores on all sections of the TEAS the applicant must complete the following:
 - a. Interview with the Program Director or designee;
 - b. Submit three (3) Letters of Recommendation (a form will be provided);
 - c. Acknowledge receipt of the Massachusetts Board of Registration in Nursing Licensure Policy 00-01, Determination of Good Moral Character Compliance; and
 - d. Complete the UCT Criminal Offender Record Information (CORI) request form.

TEAS VI TESTING PROCEDURE

1. Candidates should report to the Nursing and Allied Health Education Center (“The LPN Building”) Upper Cape Cod Regional Technical School, 220 Sandwich Road, Bourne, MA 02532.
2. The TEAS exam is administered via pencil and paper. No scrap or scratch paper is allowed. Student may write on the TEAS exam booklet.
3. On the day of the exam, candidates are expected to arrive no later than 30 to 15 minutes prior to the exam start time. A current and valid government issued photo identification is required to enter the exam. Once a candidate has entered the building and registered, they are not permitted to exit the building until the TEAS is completed. If the candidate leaves the building for any reason, at any time, inclusive of breaks, before the exam is complete the results will not be processed and the fee will be forfeited.
4. Each section of the TEAS is timed. Candidates may not go back to previous sections or move ahead to the next section. If candidates are found working on a test section, other than the current section being administered, the exam results will not be processed and the fee will be forfeited.
5. Electronic devices are not permitted in the testing room. It is strongly advised that all personal belongings, other than the photo identification and pencils, be locked in the candidate’s vehicle during the exam. If a candidate is found with a cell phone or other electronic device in the testing room the exam will not be processed and the fee will be forfeited.
6. Candidates must present their photo identification and sign-out upon completing the exam. Information on obtaining TEAS results using the ATI ID will be provided to the candidate as they exit the test site.
7. Student may request the results of the TEAS administered at a site other than UCT be considered. This may occur on a case-by-case basis. Criteria for consideration include, but is not limited to: availability of results directly from ATI, testing location, and/or date of TEAS exam.

ADMISSION REQUIREMENTS

Applications are reviewed and evaluated using the following criteria:

- Completed Program application (inclusive of the 3 references)
- Satisfactory evidence of secondary school graduation, or its equivalent
- Required TEAS VI scores
- Health/Immunization compliance
- Criminal Offender Record Information (CORI) review

The admission process includes an interview with the Program Director, or a designee. The purpose of the interview is to review the application file and discuss the expectations of the Program. The interview is NOT used for determining admission to the Program.

At time of interview the applicant is required to provide written responses to several questions; the responses are evaluated for completeness, coherency, spelling, and grammar.

Upon receipt of the acceptance letter the student is required to make a \$1000.00 refundable deposit (cash or money order) and complete the following for admission to the program:

ADDITIONAL REQUIREMENTS

1. Evidence of health insurance coverage effective for the duration of enrollment.
2. American Heart Association Basic Life Support (BLS) certification
[https://cpr.heart.org/AHA/ECC/CPRECC/Training/HealthcareProfessional/BasicLifeSupportBLS/UCM_473189_Basic-Life-Support-BLS.jsp]

WITHDRAWAL OF ADMISSION TO THE PROGRAM

The Massachusetts Board of Registration in Nursing protects the health, safety and welfare of the citizens of the Commonwealth by licensing qualified Licensed Practical Nurses who possess the knowledge, skills and abilities needed to provide safe, competent nursing care. The Board publishes and regularly updates the *Good Moral Character Licensure Requirement Information Sheet* [found at: <https://www.mass.gov/service-details/good-moral-character-requirements-for-nursing-licensure>]. Each applicant for initial nurse licensure by examination must comply with the "Good Moral Character" requirement specified at G.L. c. 112, secs. 74, 74A, 76, and 80B. Each initial applicant has the burden to demonstrate compliance with the *Licensure Policy 00-01: Determination of Good Moral Character Compliance*.

UCT reserves the right to withdraw the awarding of Program admission to any individual should the Program or the administration of UCT become aware of any individual's action that relates to:

- Nature or disposition of a criminal charge,
- An arrest,
- A pre-trial proceeding,
- Other judicial proceedings,
- Sentencing,
- Incarceration,
- Rehabilitation, and/or
- Release.

ADVANCED PLACEMENT

Students may apply to enter the program at the beginning of Term II provided they can supply satisfactory proof of completion of all the Term I course content with a grade of "B-" or better within the past two years if the student is not currently matriculated in a nursing education program. For currently matriculated transfer students, course content may be older than two years. An original transcript of grades is required and a course outline may be required at the Director's request. The Term I courses are: Anatomy and Physiology, Fundamentals of Nursing, Vocational Trends in Nursing, Introduction to Pharmacology, and Nutrition. Entrance into the program will be determined on a space available basis. Students may not transfer into the program anytime after Term II.

Cumulative averages do not transfer with students. The grade for approved transfer course/clock hours will be noted on the UCT transcripts as Transfer Credit. A new cumulative grade begins with the commencement of a student's career at UCT and reflects only work completed as a UCT student.

ADVANCED PLACEMENT or TRANSFER OF MILITARY EDUCATION, TRAINING OR SERVICE FOR A MILITARY HEALTH CARE OCCUPATION

Applicants who have military health care education, training, or service may be eligible for advanced placement or transfer of previously completed course credit.

Due to the variety of opportunities for military health care occupation education, training, or service can vary, each applicant will be considered on a case-by-case basis. Materials that will be required to determine advance placement or transfer include, but may not be limited to: Transcripts; Course descriptions; Skills checklists; and/or Evaluations.

TRANSFER CREDIT FOR NON-CLINICAL NURSING COURSES

A student who has completed Anatomy and Physiology I and Anatomy and Physiology II, Nutrition, and/or Introduction to Pharmacology, from another regionally accredited post-secondary institution – one recognized by the US Department of Education - within the past **two years**, inclusive of Honors Anatomy and Physiology and /or Honors Nutrition completed at UCT, and has obtained a grade of "B-" (80% or greater) or better may be eligible for transfer credit. To obtain transfer credit the student must provide the program director with:

1. an official transcript documenting completion of the equivalent course within the past two years with a grade of "B-" (80%) or better;
2. a description of the course (catalog, syllabus or similar documentation) which demonstrates the course(s) for which the student is seeking transfer credit is equivalent to the course offered at UCT in content and hours;
3. additional materials that the program director may request.

Students will be notified by the program director when transfer credit is awarded. If the student is eligible for Title IV Financial Aid, the exemption credit may impact the amount of the student's award.

COURSE EXEMPTION

A student may request an exemption to non-clinical nursing courses. A request for a course exemption must be accompanied by documents to support the request. For example, the course exemption may be requested by the student that has a college degree in a field relevant to the course content.

TUITION REFUND POLICY*

- If a student withdraws from the Practical Nurse Program on or before the first day of class, student will receive a full tuition refund minus a \$100.00 records processing fee;
- If a student withdraws at any time between the second class day and the end of the second week of classes, she/he will receive a 50% tuition refund minus a \$100.00 records processing fee.
- No refund will be issued after 4:00PM on the Friday at the end of the second week of classes.

*Specific dates will be provided to students upon acceptance to the program in accordance with the academic calendar effective for the year of admission.

HEALTH CLEARANCE

In accordance with Massachusetts Board of Registration in Nursing regulations, candidates for admission to a nursing education program must provide satisfactory evidence of compliance with the immunization requirements specified by the Massachusetts Department of Public Health [<https://www.mass.gov/files/documents/2018/07/02/guidelines-adult.pdf>].

A Health Clearance Form is provided with the Application. **Acceptance to the Program is contingent upon submission of complete and verifiable documentation demonstrating compliance with the immunization requirements.**

CLINICAL AGENCY REQUIREMENTS

Clinical agencies may require specific immunizations and/or titers and/or tuberculosis screening in addition to the requirements of the MA DPH. Students who do not have a positive titer are required to sign a waiver acknowledging they are at risk for exposure to the Hepatitis B virus. Students who have tested positive for Tuberculosis in the past will be required to complete a Tuberculosis Screening Questionnaire on an annual basis.

Other clinical agency requirements include, but may not be limited to: providing personal identification information, including a Social Security Number (SSN) for secure access to the facility's electronic health records; completion of a confidentiality agreement; participation in a facility orientation; purchasing a facility specific identification badge; and/or submitting to agency specific background checks.

CPR CERTIFICATION REQUIREMENT

Students are required to obtain and maintain **American Heart Association – Basic Life Support (BLS) Provider** Cardio Pulmonary Resuscitation (CPR) Certification and maintain certification throughout the duration of the Program.

HEALTH INSURANCE

All students are required to carry personal health insurance while they are enrolled in the Practical Nurse Program.

CRIMINAL OFFENSE RECORD INFORMATION (CORI)

What is CORI? C.O.R.I. is Criminal Offender Record Information, which consists of records and data in any communicable form compiled by a Massachusetts criminal justice agency about an identifiable individual that relate to:

- Nature or disposition of a criminal charge,
- An arrest,
- A pre-trial proceeding,
- Other judicial proceedings,
- Sentencing,
- Incarceration,
- Rehabilitation,
- Release

Does not include juvenile history, except for charges on which a juvenile was adjudicated as an adult.

The Massachusetts Board of Registration in Nursing protects the health, safety and welfare of the citizens of the Commonwealth by licensing qualified Licensed Practical Nurses who possesses the knowledge, skills and abilities needed to provide safe, competent nursing care. The Board publishes and regularly updates the Good Moral Character Licensure Requirement information; for details to: <https://www.mass.gov/service-details/good-moral-character-requirements-for-nursing-licensure>. Each applicant for initial nurse licensure by examination must comply with the "Good Moral Character" requirement specified at G.L. c. 112, secs. 74, 74A, 76, and 80B. Each initial applicant has the burden to demonstrate compliance with the *Licensure Policy 00-01: Determination of Good Moral Character Compliance*.

In compliance with school and clinical agency requirements, Upper Cape Cod Regional Technical School and/or the clinical agency in which the student is assigned to provide patient care, will conduct a CORI (Criminal Offender Record Information) check. Students will be required to submit to a CORI. Upper Cape Tech and/or the clinical agency will send the student's signed completed CORI request form to the Criminal History Systems Board to be checked.

The outcome of the CORI may impact the student's ability to participate in the clinical experience. Since graduation requires completion of concurrent clinical and academic hours, the student would not be able to successfully graduate from the program.

FINGERPRINTING

Upon acceptance to the UCT PN Program the individual will be provided information on the process to submit to a fingerprint-based state and national criminal record check. The cost of the State Applicant Fingerprint Identification System (SAFIS) is \$35.00.

The outcome of the SAFIS may impact the student's ability to participate in the clinical experience. Since graduation requires completion of concurrent clinical and academic hours, the student would not be able to successfully graduate from the program.

SCREENING FOR SUBSTANCES OF ABUSE

Screening for substances of abuse are randomly conducted without advance notice to all enrolled students a minimum of one time during their enrollment.

The student who comes to school or to a clinical facility in the possession of or under the influence of alcohol/drugs presents a threat to the safety and welfare of all and will be treated as an impaired person. Any student who has been prescribed a narcotic or other medication which they have reason to believe could impair their ability to function should inform the Director prior to participating in program activities. The Program respects the privacy of its students and will work cooperatively with any student who is taking such medication and his/her healthcare provider to ensure such medications will not interfere with the student's ability to perform safely, without risk to the student or others.

ACCOMMODATIONS DUE TO A DISABILITY

The student with a disability must be able to meet the essential eligibility requirements for licensure as a Licensed Practical Nurse in Massachusetts. These requirements, as specified in Massachusetts General Law Chapter 112, ss. 74 and 74A, include graduation from a Board-approved nursing education program, achievement of a pass grade on the National Council Licensure Examination (NCLEX®), and demonstration of compliance with the good moral character licensure requirement.

Reasonable examination modifications will be provided to eligible students. Any accommodations provided must maintain the psychometric nature and security of any examination. Exam modifications, which fundamentally alter the nature or security of examinations, are not permitted.

A student has no obligation to inform the director, faculty, and/or facilitators that he or she has a disability; however, if the student wants an academic accommodation or if a student wants other disability-related services, the student must identify himself or herself as having a disability. The disclosure of a disability is always voluntary. For example, a student who has a disability that does not require services may choose not to disclose his or her disability. However, should a student choose not to disclose a disability, having not received accommodations may not later be used as a basis for a grade appeal or grievance.

For additional information, please see, *Students with Disabilities Preparing for Postsecondary Education: Know Your Rights and Responsibilities*, U.S. Department of Education, 2001, at: <http://www2.ed.gov/about/offices/list/ocr/transition.html>.

A guideline for submitting a request for accommodations is available upon request from the Program Director.

EQUAL EDUCATION OPPORTUNITY

In accordance with Chapter 282 of the Acts of 1993, General Laws Chapter 76, Section 5, the Practical Nursing Program hereby provides notice that it does not discriminate in admission or employment in any of its educational programs or activities on the basis of race, color, religion, gender, gender identity or expression, sexual orientation, national origin, genetics, disability, age, uniform military or veteran status, and/or economic or homeless status. Enforcement of this law advances efforts to ensure that all students can attend school in a safe, supportive environment that is conducive to serious learning. This law makes it clear that all aspects of public school education must be fully open and available to members of both sexes and minority groups. No school may exclude a student from any course, activity, service or resource available in that public school on account of race, color, religion, gender, gender identity or expression, sexual orientation, national origin, genetics, disability, age, uniform military or veteran status, and/or economic or homeless status.

Students with disabilities may voluntarily self-identify for the purpose of requesting reasonable accommodations during the application and admissions process. Please contact the Program Director with any questions or for assistance with making such requests.

UPPER CAPE COD REGIONAL TECHNICAL SCHOOL
PRACTICAL NURSING PROGRAM

IMMUNIZATION REQUIREMENTS

In accordance with the regulatory requirements of the Massachusetts Board of Registration in Nursing, the candidate for admission (*the applicant*) must provide satisfactory evidence of compliance with the immunization requirements specified by the Massachusetts Department of Public Health (ref: 244 CMR 6.04(3)(a)1). These requirements are available at: <https://www.mass.gov/files/documents/2018/07/02/guidelines-adult.pdf> .

Certain clinical agencies have immunization requirements that exceed those of the MA Department of Public Health and as a result the Program cannot make any exceptions. Failure to provide all required documentation may exclude the PN student from clinical practice and participation in the Program.

- **Hepatitis B, Measles, Mumps, Rubella, and Varicella**

A lab report (on lab letterhead and obtained from the lab performing the test (NOT documentation from a medical record) that documents that the student has sufficient antibody protection against Hepatitis B, measles, mumps, rubella, and varicella. Dates of immunizations, without these titers, will not be accepted.

- **Tdap/TD**

Documentation of ADULT pertussis-containing vaccine within 10 years of time of application to the Program. If the 10 year duration of the vaccine will lapse at any time during Program enrollment, the applicant is required to receive the immunization prior to admission to the program.

- **Tuberculosis Screening**

A QuantiFERON-TB gold test is required within 3 months of the start of the clinical experience, [Day option: after June 1st ; Evening option: after November 1st]. In accordance with the policy of the MA DPH Tuberculosis Program, a history of BCG immunization does not exempt the student from TB screening requirement. Skin testing for Tuberculosis is not accepted by our clinical agencies.

- **Influenza Vaccination**

Mandatory influenza vaccination is required by all clinical facilities. The flu vaccine is due annually on or before October 15th.

Acceptance to the Program is contingent upon submission of complete and verifiable documentation demonstrating compliance with the immunization requirements.

Applicant's acknowledgement of UCT PN Program Health and Immunization Requirements

I have read and fully understand the mandatory Program requirements outlined above. I understand the failure to meet these requirements exclude me from consideration for admission to the Program.
