Adult and Continuing Education

UCT Adult and Continuing Education's mission is to provide the highest quality education and training such that our adult students have the potential to achieve their academic, career and personal goals.

Upper Cape Tech offers a variety of Adult and Continuing Education programs designed to help individuals enhance their skills and advance their careers. Whether students are looking to retrain for a new profession, gain certification in a specialized field, or simply pursue a personal interest, our programs cater to a diverse range of educational needs. With a focus on hands-on learning and real-world applications, students can expect to receive a high-quality education that is both relevant and practical. Our experienced instructors and state-of-the-art facilities ensure that students receive the training and support needed to succeed in their chosen endeavors.
