

UPPER CAPE COD REGIONAL TECHNICAL SCHOOL
PRACTICAL NURSING PROGRAM
PN STUDENT UNIFORM REQUIREMENTS

The student practical nurse uniform consists of a **Cherokee or Healing Hands** brand **navy blue** scrub uniform with student's first name embroidered on the top. The uniform also includes clean, washable shoes with closed toe and heel, and a non-skid sole. Nurse's shoes (black, white, or navy blue) are the preferred footwear for all clinical experiences. You may also wish to purchase an embroidered grey fleece vest, however the vest is *not* required.

The uniform also may include a long sleeved white or navy blue jersey under the scrub top. Scrub jackets, sweaters, sweat jackets, and other similar items may not be worn with the student uniform in the clinical area. You are required to purchase a minimum of three (3) tops and three bottoms which are embroidered to be worn to all nursing care simulations and clinical experiences. Non-embroidered scrubs may be worn on class days, but scrubs are required. The scrubs worn on class days do not need to be navy blue, but should be clean and professional. You are expected to purchase both the tops and bottoms at the same time to insure the pieces match.

The following vendor is the only location you can purchase the UCT PN student uniform. There is a selection to insure an appropriate fit as well as your comfort. Our uniform partner has the necessary information to insure your top is embroidered correctly. **EMBROIDERED ITEMS CANNOT BE RETURNED!**

657 Quarry Street
Fall River, MA
(508) 646-0071

To order on line, go to: www.companystoreuniforms.net. Go to the upper right-hand corner of the site and select, '**Group Sign In**' [next to the shopping cart symbol]. Enter, **UC2023** in the sign-in code area. When selecting the uniform top, you will be instructed to enter your **first name** for embroidery on your top.

There are several Cherokee and Healing Hands product lines for you to choose from to best fit your budget and figure. You may choose to go to the store to try on the uniform to insure the appropriate fit. The Company Store also has a selection of equipment that is required for clinical, (i.e.: stethoscope, blood pressure cuff, penlight, bandage scissors, goggles, analog watch with a second hand, and gait belt).

To insure timely delivery, please place your order by July 22nd. Shipping to your home is a flat rate of \$9.95; in-store pickup is free.
